Representatives of civic organizations attend Senior High School dedication.

TO THE SENIORS:

This class will be remembered as the first Senior Class to graduate from our new Anderson Senior High School. More importantly, however, this class will be remembered as one which has the potential to achieve — the extent to which this potential is realized is dependent upon your ability to discriminate in all things, remembering that with success must come "blood, sweat, and tears."

The sociologist and the scientist tell us that one out of every ten youth will become a mental case; one out of every twelve will become a chronic alcoholic, and that by the end of the nineteen sixties, our divorce rate will equal the marriage rate, and that we are only approximately one hour away from total destruction.

"These are the times that try men's souls. The summer soldier and the sunshine patriot will, in this crisis, shrink from the service of their country; but he that stands it now, deserves the love and thanks of man and woman. Tyranny, like hell, is not easily conquered, yet we have this consolation with us, that the harder the conflict, the more glorious the triumph. What we obtain too cheap, we esteem too lightly; it is dearness only that gives everything its value. Heaven knows how to put a proper price upon its goods."

The kind of person you choose to be will help determine the kind of world we live in. Learn to love that which is good, hate that which is evil, to be fair in play, honest in work, and faithful even in that which is the least.

It is my fond hope that you will find a bit of heaven on earth and that you will reap much happiness and enjoyment in the years to come.

Homecoming Dance

10:00-1:00
October 20, 1961

BOBBY KEYS & ORCHESTRA

Student Council, composed of club presidents and a representative from each homeroom, is the student governing body of the school. Its main activities include sponsoring Homecoming, the Christmas Formal, Bermuda Day, the Senior-Faculty volleyball game, and a spring dance. This year the Student Council has taken over the responsibility of running the Bookstore in the hope that the profits may be used to buy furniture for the lobby and the patio. Another important project is the awarding of a scholarship to an outstanding member of the graduating class.

Student Council Officers, Kenneth Burns, President, Martha McDaniel, Treasurer, Forest Heis, Vice-President, and Christine Worth, Secretary, hope the bookstore will end the year in "the black."

Social Graces

Homecoming

The annual Homecoming dance sponsored by the Student Council was a great success. More alumni attended this year's Homecoming than ever have before.

Spirits were not dampened by the drizzly, windy night; but (as seen in the picture) the winning float, Y-Teen's "Clip Their Feathers," was not immune. The float showed a pair of scissors operated by Anderson Redskins clipping the feathers of the Norwood Indians.

One of the more colorful and clever floats was GAA's "We Chews to Win," showing a Redskin worm pursuing a Norwood apple from which a bite had just been taken.

Band Night, honoring the Marching Band and its senior members, is celebrated at the time of the last home football game; halftime ceremonies are highlighted by the crowning of the Sweetheart and the passing of the Seniors through the traditional hourglass formation. The singing of the "Alma Mater" symbolizes the farewell appearance of the Seniors. The post-game dance is presided over by the Band President and pays further tribute to the Sweetheart and her court.

Your Own Princess Phone

What teenager wouldn't get excited over having her very own Princess phone.

Think what a joy to use a phone that's scarcely bigger than your hand — that feels light as a feather — with a dial that glows softly, lights up brightly whenever you pick up the receiver.

You'll enjoy calls more in your own room on your own Princess phone. And, the monthly charge is so low that you may be able to pay for a Princess extension yourself. For more information, call our business office, 396-9900.
